If any owner fails to perform his or her maintenance responsibility in accordance with this Section, the Villa Verona Homeowners Association may perform it and assess all costs incurred against the Unit and the Owner thereof as an Individual Assessment. Prior to entry, the Villa Verona Homeowners Association shall afford the Owner reasonable notice and an opportunity to remedy the situation, except when entry is required due to an emergency. THE Villa Verona Homeowners Association SHALL NOT BE RESPONSIBLE FOR STRUCTURAL REPAIRS TO ANY UNIT.

6.05 Rules and Regulations. The Villa Verona Homeowners Association through its Board of Directors, may make and enforce reasonable rules and regulations governing the use of the Common Areas, which rules and regulations shall be consistent with the rights and duties established by this Declaration. Sanctions may include reasonable monetary fines which shall constitute a lien upon the Owner's Unit or Units and suspension of the right to vote and the right to use any recreational facilities (if any) on the Common Areas, and exclusion from Villa Verona of any contractor, subcontractor, agent or other invitee who fails to comply with the provisions of such rules and regulations. The Board shall, in addition, have the power to seek relief in any court for violations or to abate unreasonable disturbances. Imposition of sanctions shall be subject to the procedures for disciplinary action provided in the By-Laws of the Villa Verona Homeowners Association. Fines shall constitute Individual Assessments subject to the lien rights provided in this Declaration.

6.06 Implied Rights. The Villa Verona Homeowners Association may exercise any other right or privilege given to it expressly by this Declaration or the By-Laws, and every other right or privilege reasonably to be implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege.

**ARTICLE VII
EASEMENTS AND OTHER RIGHTS**

7.01 Easements to Use All owners shall have a non-exclusive easement to use and enjoy the Common Areas, subject to the terms of the Governing Documents, including parking and traffic regulations adopted by the Master Association or the Villa Verona Homeowners Association, payment of use or access fees or other charges reasonably imposed by the Villa Verona Homeowners Association and subject to any restrictions or limitations contained in any instrument conveying such property to the Villa Verona Homeowners Association. Any owner may delegate his or her right of enjoyment to the members of his or her family, lessees and social invitees, as applicable, subject to the Governing Documents. An Owner who leases his or her Unit shall be deemed to have delegated all such rights to the lessee of the Unit.

7.02 Easements for Utilities, Etc. There is hereby reserved unto Declarant so long as the Declarant owns any property within the Vineyards, the Master Association, the Villa Verona Homeowners Association, and the designees of each (which may include, without limitation, Collier County, Florida, and any utility company), blanket easements upon, over, across, and under all of Villa Verona for ingress and egress; dispensing pesticides; installation, replacing, repairing, relocating and maintaining roads, walkways, bicycle pathways, lakes, ponds, wetlands, drainage systems, street lights, signage, and all utilities, including but not limited to water, sewer, meter boxes, telephones, gas, electricity and irrigation; provided, the exercise of this easement shall not unreasonably interfere with the use of any Unit.

7.03 Easement for Encroachment and Overhang. There shall be a reciprocal appurtenant easement for encroachment and overhang between adjacent Units. Such easement shall be for roof overhangs, and other improvements which were unintentionally placed or have settled or shifted. The easement shall be for a distance of not more than five (5) feet, as measured from any point on the common boundary between the adjacent Units, along a line perpendicular to such boundary at such point. In no event shall an easement for encroachment of anything other than an overhang exist if such encroachment occurred due to willful conduct on the part of an Owner or Merchant Builder.

7.04 Additional Easements. The Declarant and the Board of Directors shall have the right to execute, without further authorization, such grants of easement or other instruments as may from time to time be desirable for the development of Villa Verona or the Vineyards in general, subject to limitations as to the then existing buildings or other permanent structures or facilities constructed within Villa Verona.

**ARTICLE VIII
INSURANCE AND CASUALTY LOSSES**

8.01 Insurance. The Board of Directors, or its duly authorized agent, shall obtain blanket all-risk casualty insurance, if reasonably available, for all insurable improvements on the Common Areas. If blanket all-risk coverage is not reasonably available, then at a minimum an insurance policy providing fire and extended coverage shall be obtained. This insurance shall be in an amount sufficient to cover one hundred percent (100%) of the replacement cost of any repair or reconstruction in the event of damage or destruction from any insured hazard.

Insurance obtained by the Villa Verona Homeowners Association shall at a minimum comply with the applicable provisions of Section 11.01 of the Master Declaration, including the provisions applicable to policy provisions, loss adjustment, and all other subjects to which such Article applies. All such policies shall provide for a certificate of insurance to be furnished to the Master Association.

The Board shall also obtain a public liability policy covering the Common Areas, the Villa Verona Homeowners Association and its Members for all damage or injury caused by the negligence of the Villa Verona Homeowners Association or any of its Members or agents. The public liability policy shall have the liability limits established by the Board from time to time.

The Board may also obtain such other insurance policies as it deems appropriate, including, without limitation, Directors and Officers liability insurance and fidelity coverage.

8.02 Duty to Maintain Fidelity Insurance. The Villa Verona Homeowners Association shall, to the extent available at a reasonable cost, obtain fidelity bonds to protect against dishonest acts on the part of its officers, directors, employees and agents and on the part of all others who handle or are responsible for handling the funds of, or funds administered by, the Villa Verona Homeowners Association. In addition, if responsibility for handling funds is delegated to a manager, such bonds shall be required for the manager and its officers, employees, and agents. Such fidelity coverage shall name the Villa Verona Homeowners Association as an

obligee and shall be written in an amount equal to at least one hundred percent (100%) of the estimated annual operating expenses of the Villa Verona Homeowners Association, including reserves. Such bonds shall contain waivers by the issuers of all defenses based upon the exclusion of persons serving without compensation from the definition of "employees" or similar terms or expressions.

8.03 Duty to Maintain Officers' and Directors' Personal Liability Insurance. To the extent obtainable at reasonable cost, in the sole and absolute discretion of the Board, appropriate officers' and directors' personal liability insurance shall be obtained by the Villa Verona Homeowners Association to protect the officers, directors and the Committee members and all other committee members from personal liability in relation to their duties and responsibilities on behalf of the Villa Verona Homeowners Association.

8.04 Duty to Maintain Workers' Compensation Insurance. The Villa Verona Homeowners Association shall obtain workers' compensation or similar insurance with respect to its employees, if any, in the amounts and forms as may now or hereafter be required by law.

8.05 Other Insurance. The Villa Verona Homeowners Association may obtain insurance against such other risks, of a similar or dissimilar nature, as it shall deem appropriate with respect to the Villa Verona Homeowners Association's responsibilities and duties.

8.06 Individual Insurance. By virtue of taking title to a Unit subject to the terms of this Declaration, each Owner covenants and agrees with all other Owners and with the Villa Verona Homeowners Association that each owner shall carry blanket all-risk casualty insurance on the Unit(s) and structures constructed thereon. Each Owner further covenants and agrees that in the event of a partial loss or damage resulting in less than total destruction of structures comprising his Unit, the owner shall remove all debris within sixty (60) days and complete repair or reconstruction of the damaged structure within one (1) year in a manner consistent with the original construction. The Owner shall pay any costs of repair or reconstruction which are not covered by insurance proceeds. In the event that the structure is totally destroyed, the Owner may decide not to rebuild or not to reconstruct, in which case the Owner shall clear the Unit of all debris and return it to substantially the natural state in which it existed prior to the beginning of construction and thereafter the Villa Verona Homeowners Association shall continue to maintain the Unit in a neat and attractive condition.

All policies of insurance required by the terms of this Section

shall name the Villa Verona Homeowners Association as an additional insured and shall require that the Villa Verona Homeowners Association will be given at least thirty (30) days' prior written notice of any cancellation, substantial modification, or non-renewal.

8.07 Damage and Destruction.

(a) Filing Claims. Immediately after damage or destruction by fire or other casualty to all or any part of Villa Verona covered by insurance written in the name of the Villa Verona Homeowners Association, the Board of Directors or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this paragraph, means repairing or restoring the property to substantially the same condition in which they existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes.

(b) Repair and Reconstruction. Any damage or destruction to the Common Areas shall be repaired or reconstructed unless (i) the Class B Member (so long as it exists); and (ii) at least seventy-five percent (75%) of the total votes eligible to be cast by the Class A Members shall decide within sixty (60) days after the casualty not to repair or reconstruct. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Villa Verona Homeowners Association within said period, then the period shall be extended until such funds or information shall be made available; provided, however, such extension shall not exceed sixty (60) additional days. No Institutional Mortgagee shall have the right to participate in the determination of whether the damage or destruction to the Common Areas shall be repaired or reconstructed. In the event that it should be determined in the manner described above that the damage or destruction to the Common Areas shall not be repaired or reconstructed and no alternative improvements are authorized, then and in that event the affected portion of Villa Verona shall be restored to their natural state and maintained by the Villa Verona Homeowners Association in a neat and attractive condition.

8.08 Disbursement of Proceeds. If the damage or destruction for which the proceeds of insurance policies are paid is to be repaired or reconstructed, the proceeds, or such portion thereof as may be required for such purpose, shall be disbursed in payment of such repairs or reconstruction as hereinafter provided. Any

proceeds remaining after defraying such costs of repair or reconstruction to the Common Areas or, if no repair or reconstruction is made, shall be retained by and for the benefit of the Villa Verona Homeowners Association and placed in a capital improvements account.

8.09 Inadequate Proceeds. If the damage or destruction to the Common Area for which insurance proceeds are paid is to be repaired or reconstructed, and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall, without the necessity of a vote of the Members, levy a Special Assessment against all Members on the same basis as provided for Base Assessments. Additional Special Assessments may be made in like manner at any time during or following the completion of any repair or reconstruction.

**ARTICLE IX
ASSESSMENTS**

9.01 Affirmative Covenant to Pay Assessments. There is hereby imposed upon each Owner and his or her Unit, the affirmative covenant and obligation to pay to the Villa Verona Homeowners Association all Base, Special and Individual Assessments, together with any Assessments imposed by the Master Association. Each Owner, by acceptance of a deed or other instrument of conveyance conveying a Unit, whether or not it is so expressed in such deed or instrument, shall be obligated and agrees to pay all Assessments provided for in this Declaration.

9.02 Creation of Base Assessments. There are hereby created Base Assessments for Villa Verona Expenses as the Board of Directors of the Villa Verona Homeowners Association may authorize from time to time.

9.03 Payment of Base Assessments. Base Assessments shall be paid in such manner and on such dates as may be fixed by the Board of Directors which may include, without limitation, acceleration of the Base Assessments for the entire fiscal year for delinquents. Unless the Board otherwise provides, the Base Assessment shall be paid on a quarterly basis, in advance.

9.04 Computation of Base Assessments. It shall be the duty of the Board of Directors of the Villa Verona Homeowners Association annually to prepare a budget covering the estimated Villa Verona Expenses to be incurred by the Villa Verona Homeowners Association. This budget may include a capital contribution establishing a reserve fund for repair and replacement of capital items within Villa Verona, as appropriate. Villa Verona Expenses shall be allocated equally among all Units within Villa Verona. The Board of

Directors shall cause a copy of such budget and notice of the amount of the Base Assessment to be levied on each Unit for the coming year to be delivered at least fifteen (15) days prior to the beginning of the fiscal year to each Owner of a Unit. Such budget and Assessment shall become effective unless disapproved by a majority vote of the total votes eligible to be cast by Members. There shall be no obligation to call a meeting for the purpose of considering the budget except upon a petition of Owners representing at least thirty percent (30%) of the total votes in the Villa Verona Homeowners Association. In the event the proposed budget is disapproved, then and until such time as a budget shall have been determined as provided herein, the budget in effect for the immediately preceding year shall continue for the current year.

The Base Assessment to be levied for the coming year against each Unit subject to assessment shall be computed by dividing the budgeted Villa Verona Expenses by the total number of Units then subject to Assessment and reasonably anticipated to become subject to Assessment during the fiscal year.

9.05 Special Assessments. In addition to the Base Assessments, the Board of Directors may levy, in any Assessment year, without the requirement of a Member vote, a Special Assessment, for the purpose of defraying, in whole or in part, the cost of any unanticipated construction or reconstruction, repair or replacement of any property owned by the Villa Verona Homeowners Association or any other unbudgeted expenses of the Villa Verona Homeowners Association. Notice in writing of the amount of any Special Assessment and the time for payment thereof shall be given promptly to the Owners. Special Assessments pursuant to this Section shall be payable by Owners in such manner and at such times as determined by the Board, and may be payable in installments extending beyond the Assessment year in which the Special Assessment is approved, if the Board so determines.

9.06 Individual Assessments. All monetary fines assessed against an owner pursuant to the Villa Verona Documents, or any expense of the Villa Verona Homeowners Association which is the obligation of an Owner or which is incurred by the Villa Verona Homeowners Association on behalf of the owner pursuant to the Villa Verona Documents, shall be an Individual Assessment and shall become a lien against such Owner's Unit which may be foreclosed or otherwise collected as provided herein. Notice of the amount and due date of such Individual Assessments shall be sent to the Owner subject to such Assessment.

9.07 Declarant's Obligation for Assessments. Beginning on the date of the recordation hereof, and continuing until termination of the Class B Membership, Declarant may, in its sole discretion, elect

not to pay Base Assessments on Units it owns, but pay the difference, if any, between the amount of Base Assessments payable by Owners other than Declarant and the actual Villa Verona Expenses. If Declarant determines not to pay the difference between the amount of Base Assessments payable by Owners other than Declarant and the actual Villa Verona Expenses, then Declarant shall pay Base Assessments as any other Owner pays for Units. Unless Declarant otherwise notifies the Board, in writing, at least sixty (60) days prior to the end of each fiscal year, Declarant shall be deemed to have elected to continue paying on the same basis as the preceding fiscal year. Declarant's obligations hereunder may be satisfied in the form of a cash subsidy or by "in kind" contributions of services or materials, or a combination of these.

9.08 Establishment of Lien. Any and all Assessments, together with interest at a rate not to exceed the lesser of (a) the highest rate allowed by applicable usury law, or (b) eighteen percent (18%) per annum, as computed from the date the delinquency first occurs, and such late charges and fines as may be established by the Board of Directors and costs and reasonable attorneys' fees shall be a charge on the Unit and shall be a continuing lien upon the Unit against which such Assessment is made. Each Assessment, together with interest, late charges, costs and reasonable attorneys' fees, shall also be the personal obligation of the Owner of such Unit at the time the Assessment arose, and his or her grantee shall be jointly and severally liable for such portion thereof as may be due and payable at the time of conveyance, except no Institutional Mortgagee who obtains title to a Unit pursuant to the remedies provided in the Mortgage shall be liable for unpaid Assessments which accrued prior to such acquisition of title.

Upon recording of a notice of lien on any Unit, there shall exist a perfected lien for unpaid Assessments prior and superior to all other liens, except (1) all taxes, bonds, assessments and other levies which by law would be superior thereto, and (2) the lien or charge of any first mortgage of record (meaning any recorded Mortgage with first priority over other mortgages) made in good faith and for value with an Institutional Mortgagee. Such lien, when delinquent, may be enforced by suit, judgment and foreclosure. The Villa Verona Homeowners Association, acting on behalf of its Members, shall have the power to bid for the Unit, as applicable, at foreclosure sale and to acquire and hold, lease, mortgage and convey the same. During the period in which a Unit is owned by the Villa Verona Association following foreclosure: (a) no right to vote shall be exercised on its behalf; (b) no Assessments shall be levied on it; and (c) each other Unit shall be charged, in addition to its usual Assessment, its equal pro rata share of the Assessments that would have been charged such Unit had it not been acquired by the Villa Verona Homeowners Association as a result of foreclosure.

suit to recover a money judgment for unpaid Assessments and attorneys' fees shall be maintainable without foreclosing or waiving the lien securing the same.

9.09 Reserve Budget and Capital Contribution. The Board of Directors may annually prepare a reserve budget to take into account the number and nature of replaceable assets, the expected life of each asset, and the expected repair or replacement cost. The Board may set the required capital contribution in an amount sufficient to permit meeting the projected needs of the Villa Verona Homeowners Association, as shown on the budget, with respect both to amount and timing by annual Assessments over the period of the budget. The capital contribution required, if any, may be fixed by the Board and included within and distributed with the budget.

9.10 Date of Commencement of Assessments. The obligation to pay the Assessments provided for herein shall commence as to each Unit on the first day of the first month following the date of conveyance of such Unit by the Declarant. The first year's Assessment shall be adjusted according to the number of months remaining in the fiscal year at the time Assessments commence on the Unit.

9.11 Statement of Status of Assessments. Upon ten (10) days' written notice to the Treasurer of the Villa Verona Homeowners Association or the manager and payment of a processing fee set by the Villa Verona Homeowners Association from time to time, not to exceed fifty dollars (\$50), any owner or Institutional Mortgagee of a Unit may request confirmation from the Villa Verona Homeowners Association setting forth:

(a) The amount of any unpaid Assessments (whether Base, Special, or Individual), interest, late charges, costs, expenses, and attorneys' fees then existing against a particular Unit;

(b) The amount of the current periodic installments of the Base Assessment and the date through which they are paid; and

(c) Any other information deemed proper by the Villa Verona Homeowners Association.

The information contained in such statement, when signed by an officer of the Villa Verona Homeowners Association, shall be conclusive upon the Villa Verona Homeowners Association as to the person or persons to whom such statement is issued and who rely on it in good faith.

Prior to the issuance of such a statement, the Villa Verona Homeowners Association may request the name of any proposed

transferee of the Unit and the scheduled closing date. This will permit the records of the Villa Verona Homeowners Association to accurately identify Members.

9.12 Exempt Property. Notwithstanding anything to the contrary herein, the following property shall be exempt from payment of Assessments:

(a) Common Areas; and

(b) all property dedicated to and accepted by any governmental authority or public utility, including, without limitation, public schools, public streets and public parks, if any.

9.13 Assessments Levied By The Master Association. The Villa Verona Homeowners Association shall, upon the request of the Master Association, collect assessments owed the Master Association by Owners. The Villa Verona Homeowners Association shall remit this amount to the Master Association within ten (10) days of its receipt along with an accounting of the Owners who have made payments and the amounts thereof. In the event any amount owed the Master Association is not timely paid to the Master Association by the Owner or the Villa Verona Homeowners Association, the Master Association shall have the right to enforce its rights under the Master Documents against the Owner(s) whose payment is not received by the Master Association. The Villa Verona Homeowners Association shall have no right of set-off or diminution or abatement with respect to assessments collected on behalf of the Master Association.

**ARTICLE X
VILLA VERONA AREA USE RESTRICTIONS**

All Units shall be used only for single family residence purposes as permitted by applicable law, and in accordance with the Master Community Documents and the Villa Verona Documents. The Villa Verona Homeowners Association may add to, delete or modify these use restrictions pursuant to an amendment to this Declaration, or any rules and regulations.

10.01 Partition Units. No part of a Unit may be partitioned or separated from any other part thereof except as provided herein. Whether partitioned, combined, or unchanged, each Unit shall be conveyed, transferred, gifted, devised, bequeathed, encumbered, or otherwise disposed of, as the case may be, with all appurtenant rights, obligations and interests created by law or by this Declaration, including the owner's membership in the Villa Verona Homeowners Association, and the liability for all

Assessments. No Unit may be subdivided into two (2) or more Units and no Unit may be combined with one (1) or more additional Unit to form one (1) or more Unit without the written consent of the Board of Directors and after full compliance with all zoning and subdivision regulations.

10.02 Compliance With Insurance Requirements. It shall be the responsibility of the individual owners, and at their expense, to make arrangements in regard to hazard insurance on the improvements, personal property and furnishings located on their Units, and for public liability insurance covering their Unit. In addition, each owner may obtain such other and additional insurance coverage on and in relation to his Unit as such owner concludes to be desirable.

10.03 Damage or Destruction on Units. In the event of damage or destruction to the improvements located on any Unit, the Owner thereof shall promptly repair and restore the damaged improvements to their condition prior to such damage or destruction or, in the event of total destruction to substantially all of the structures on a Unit, the Owner may elect to remove all structures on that Unit and landscape the Unit in accordance with a plan approved by the Committee. If such repair and restoration or removal is not commenced within sixty (60) days from the date of such damage or destruction, then the Villa Verona Homeowners Association may, after notice and hearing as provided in the By-laws, impose a fine of not more than fifty dollars (\$50) per day on the Owner of the Unit until repair and reconstruction or removal is commenced. Each Owner shall diligently and continuously proceed with all repair and reconstruction or removal unless the Owner can prove to the satisfaction of the Villa Verona Homeowners Association that such failure is due to circumstances beyond the Owner's control, the Villa Verona Homeowners Association may, after notice and hearing as provided in the By-laws, impose a fine of not more than fifty dollars (\$50) per day on the Owner of such Unit until repair and reconstruction or removal is recommenced. Such fine shall be an Individual Assessment.

10.04 Abandoned, Inoperable, Commercial or oversized Vehicles. Abandoned or inoperable automobiles or oversized vehicles of any kind shall not be stored or parked on any portion of the Units. "Abandoned or inoperable vehicle" shall be defined as any vehicle which has not been driven under its own propulsion for a period of three (3) weeks or longer; provided, however, this shall not include vehicles parked in an enclosed garage or operable vehicles left on the Unit by Owners while on vacation. A written notice describing the "abandoned or inoperable vehicle" and requesting removal thereof may be personally served upon the Owner or posted on the unused vehicle; and if such vehicle has not been

removed within seventy two (72) hours thereafter, the Villa Verona Homeowners Association shall have the right to remove the same without liability to it, and the expense thereof shall be charged against the Owner. "Oversized" vehicles, for purposes of this Section, shall be vehicles which are too high to clear the entrance to a residential garage.

No commercial vehicles, or campers, mobile homes, motorhomes, house trailers or trailers of every other description, recreational vehicles, boats, boat trailers, house trailer or vans shall be permitted to be parked or to be stored on any Unit. For the purposes of this Section, "commercial vehicles" shall mean those which are not designed and used for customary personal/family purposes. The absence of commercial-type lettering or graphics on a vehicle shall not be dispositive as to whether it is a commercial vehicle. The prohibitions on parking contained above in this Section shall not apply to temporary parking of commercial vehicles such as for construction use or providing pick-up and delivery and other commercial services. No parking on lawns shall be permitted.

Subject to applicable laws and ordinances, any vehicle parked in violation of these or other restrictions contained herein or in the rules and regulations may be towed by the Villa Verona Homeowners Association at the sole expense of the owner of such vehicle if such vehicle remains in violation for a period of twenty-four (24) hours from the time a notice of violation is placed on the vehicle. The Villa Verona Homeowners Association shall not be liable to the owner of such vehicle for trespass, conversion or otherwise, nor guilty of any criminal act, by reason or such towing and once the notice is posted, neither its removal, nor failure of the owner to receive it for any other reason, shall be grounds for relief of any kind.

10.05 **Trash.** Each Owner shall provide suitable receptacles for the temporary storage and collection of such refuse and all such receptacles shall be screened from the public view and from the wind and protected from animal and other disturbances.

10.06 **Construction Regulations of the Villa Verona Standards.** All Owners and their contractors shall comply with the construction regulations of the Villa Verona Standards, if any, and with any construction regulations adopted, from time to time, by Declarant, the Committee or the Board. Such regulations may affect, without limitation, the following: trash and debris removal; sanitary facilities; parking areas; permissible times of access and construction; outside storage; restoration of damaged property; conduct and behavior of builders, subcontractors, owners and their representatives in Villa Verona at any time; the conservation of landscape materials; and fire protection.

10.07 Compliance with Laws. Subject to the rights of reasonable contest, each owner shall promptly comply with the provisions of all applicable laws, regulations, ordinances, and other governmental or quasi-governmental regulations.

10.08 Annoying Lights, Sounds, or Odors. No light, sound or odor shall be emitted from any Unit which is obnoxious or unreasonably offensive to others. Without limiting the generality of the foregoing, no exterior speakers, horns, whistles, bells or other sound devices or lights, other than devices used exclusively for security, fire prevention or fire control purposes, shall be permitted.

10.09 Pools. No above-ground pools shall be erected, constructed or installed on any Unit.

10.10 Fences. No dog runs, animal pen or fences of any of any kind will be permitted on any Unit except as approved by the Committee.

Any Unit adjacent to the golf course within the Vineyards shall only be permitted to have opaque fences approved pursuant to the architectural review approval process under both the Master Community Documents and the Villa Verona Documents. Illustrations of appropriate fencing material, style and height shall be described in the Design Standards and Guidelines of the NCC as set forth in the Master Community Documents (as those terms are defined in the Master Declaration). The intent of this restriction is to permit open views to the golf course and lakes from roadways within the Vineyards.

10.11 Playground and Basketball Equipment. No jungle gyms, swing sets, or other playground equipment including, but not limited to, basketball hoops and backboards shall be permitted on any Unit.

10.12 Window Coverings. All windows in any building shall have window coverings which have a white or off white backing or blend with the exterior color of the dwelling, as determined in the sole discretion of the Committee. Reflective window coverings are prohibited.

10.13 Nuisance. No obnoxious or offensive activity or nuisance shall be carried on or be permitted to exist within Villa Verona nor shall anything be done or permitted which is or may become offensive or detrimental or cause a disturbance or annoyance to any other Unit or its occupants.

10.14 Leasing. The Owner of a Unit shall have the right to lease such Unit subject to the following conditions and the terms of the Villa Verona rules and regulations:

(a) All leases shall be in writing and no more than two (2) leases shall be permitted in a fiscal year;

(b) The lease shall be specifically subject to the Villa Verona Documents and any failure of the tenant to comply with the Villa Verona Documents shall be a default under the lease; and

(c) The Owner shall be liable for any violation of the Villa Verona Documents committed by such Owner's tenant, without prejudice to such Owner's right to collect any sums paid from the tenant.

10.15 Hazardous Materials. Each Owner shall comply with all federal, state and local statutes, regulations, ordinances, or other rules intended to protect the public health and welfare as related to land, water, groundwater, air or other aspects of the natural environment (the "Environmental Laws"). Environmental Laws shall include, but are not limited to, those laws regulating the use, generation, storage or disposal of hazardous substances, wastes and materials (collectively, the "Hazardous Materials"). No Owner or his tenants, guests, invitees, or permittees shall knowingly use, generate, manufacture, store, release, dispose of or knowingly permit to exist in, on, under or about his or her Unit any Hazardous Materials except in compliance with the Environmental Laws.

10.16 Signs. No sign or advertisement of any kind, including, without limitation, those of realtors, contractors and subcontractors, shall be erected on any Unit unless the same complies with the standards and guidelines established pursuant to the Master Community Documents and has been approved by the Master Association, except as may be required by legal proceedings. The Master Association reserves the right to restrict the size, color, lettering, height, material and location of signs. The Villa Verona Homeowners Association shall have the right to remove signs which fail to comply with standards set by the Master Association and upon prior approval of the Master Association may set more stringent sign requirements for the Units.

ARTICLE XI ARCHITECTURAL REVIEW COMMITTEE

11.01 Membership. There is hereby established an Architectural Review Committee which shall be responsible for the administration of the Villa Verona Standards. The Committee shall be composed of a minimum of three (3) persons, who need not be

Members. All of the members of the Committee shall be appointed, removed, and replaced by the Board of Directors.

11.02 Purpose. The Committee shall review and study proposed improvements and review, study and either approve or reject proposed alterations to improvements on the Units, all in compliance with this Declaration and as further set forth in any rules and regulations and the Villa Verona Standards as shall be adopted and established and may be amended from time to time by the Board of Directors. Notwithstanding any provision herein, the Committee shall have the power only to review and comment on improvements initially constructed on vacant Units. Sole jurisdiction for approval of such initial construction shall be within the purview of the New Construction Committee described in the Master Community Documents. Said comments shall be provided to the appropriate committee pursuant to its architectural review powers under the Master Community Documents. The Committee shall exercise its best judgment to see that all improvements conform and harmonize with any existing buildings as to external design, quality and type of constructions, materials, color, plat plan, height, grade and finished ground elevation, and all aesthetic considerations herein set forth. The actions of the Committee in the exercise of its discretion by its approval or disapproval of plans and other information submitted to it, or with respect to any other matter before it, shall be conclusive and binding on all interested parties.

11.03 Organization and Operation of Committee.

(a) The term of office of each member of the Committee, subject to Section 11.1, shall be one (1) year, commencing January 1 of each year, and continuing until his successor shall have been appointed. Should a Committee member die, retire, become incapacitated, or in the event of a temporary absence of a member, a successor may be appointed as provided in Section 11.1.

(b) The chairman shall be appointed by the Board of Directors.

(c) The chairman shall take charge of and conduct all meetings and shall provide for reasonable notice to each member of the Committee prior to any meeting.

(d) The affirmative vote of a majority of the members of the Committee present at a meeting at which a quorum is present shall govern its actions and may be the act of the Committee. A quorum shall consist of a majority of the members.

(e) The Committee may avail itself of technical and

professional advice and consultants as it deems appropriate.

11.04 Expenses. Except as hereinafter provided, all expenses of the Committee shall be paid by the Villa Verona Homeowners Association. The Committee shall have the right to charge a reasonable filing fee for each application submitted to it for review, in an amount established by the Committee from time to time, which amount is designed to cover the costs of the Committee. The filing fees shall be collected by the Committee and remitted to the Villa Verona Homeowners Association to help defray the expenses of the Committee's operation. The Committee shall not be entitled to charge a filing fee for construction of improvements on vacant Units.

11.05 Variations. The Committee may authorize variations from compliance with any of the Villa Verona Standards and their procedures when circumstances such as topography, natural obstructions, hardship, or aesthetic or environmental considerations require. Such variations may only be granted, however, when unique circumstances dictate and no variance shall (a) be effective unless in writing, (b) be contrary to the restrictions set forth in the body of this Declaration, or (c) stop the Committee from denying a variance in other circumstances. For purposes of this Section, the inability to obtain approval of any governmental agency, the denial of any permit, or disapproval of the terms of any financing shall not necessarily be considered a hardship warranting a variance.

11.06 Limitation of Liability. The Committee shall use reasonable judgment in approving or disapproving all plans and specifications submitted to it. Neither the Committee, nor any individual member thereof, shall be liable to any person for any official act of the committee in connection with submitted plans and specifications, except to the extent the Committee or any individual member thereof acted with malice or wrongful intent. Approval by the Committee does not necessarily assure approval by the appropriate governmental board or commission. Notwithstanding that the Committee has approved plans and specifications, neither the Committee nor any of its members shall be responsible or liable to any Owner, Merchant Builder or contractor with respect to any loss, liability, claim, or expense which may arise by reason of such approval or failure to approve. Neither the Board, the Architectural Review Committee or any agent thereof, shall be responsible in any way for any defects in any plans or specifications submitted, revised or approved in accordance with the provisions of the Villa Verona Documents, nor for any structural or other defects in any work done according to such plans and specifications. In all events the Committee shall be defended and indemnified by the Villa Verona Homeowners Association in any such suit or proceeding.

11.07 Approval Required. Any reconstruction, or the refinishing or alteration of any part of the exterior of any building or other improvement on the Units is absolutely prohibited until and unless the Owner or Merchant Builder first obtains approval thereof from the Architectural Review Committee and otherwise complies with the provisions hereof. All improvements shall be constructed only in accordance with the approved plans.

11.08 Removal of Non-Conforming Improvements. The Villa Verona Homeowners Association, upon request of the Committee and after reasonable notice to the offender and to the Owner, may remove any improvements constructed, reconstructed, refinished, altered, or maintained in violation of these covenants, and the Owner thereof shall forthwith reimburse the Villa Verona Homeowners Association for all expenses incurred in connection therewith.

11.09 Compliance. Any contractor, subcontractor, agent, employee or other invitee of any owner who fails to comply with the terms and provisions of the Villa Verona Standards and their procedures promulgated by the Committee may be excluded by the Board from the Unit without liability to any person, subject to the notice and hearing procedures contained in the By-laws.

**ARTICLE XII
GENERAL PROVISIONS**

12.01 Term. The covenants and restrictions of this Declaration shall run with and bind the property subjected to this Declaration, and shall inure to the benefit of and shall be enforceable by Declarant, the Master Association, the Villa Verona Homeowners Association or the owner of any portion of the property subjected to this Declaration, their respective legal representatives, heirs, successors, and assigns, for a term of thirty (30) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years, unless an instrument in writing, signed by the majority of the then current Owners in Villa Verona, has been recorded within the year preceding the beginning of each successive period of ten (10) years, agreeing to change said covenants and restrictions, in whole or in part, or to terminate the same, in which case this Declaration shall be modified or terminated as specified therein.

12.02 Amendment. Until the termination of the Class B Membership, Declarant may unilaterally amend this Declaration. After such termination, the Declarant may unilaterally amend this Declaration at any time and from time to time if such amendment is (a) necessary to bring any provision hereof into compliance with any applicable governmental statutes, rule or regulation, or judicial

determination; (b) necessary to enable any reputable title insurance company to issue title insurance coverage on the Units; (c) required by an Institutional Mortgagee to enable such lender or purchaser to make or purchase mortgage loans on the Units; or (d) necessary to enable any governmental agency or reputable private insurance company to insure mortgage loans on the Units; provided, however, any such amendment shall not adversely affect the title to any Unit unless the Owner thereof shall consent thereto in writing. So long as it still owns any of the property for development or sale in Villa Verona, the Declarant may unilaterally amend this Declaration for any other purpose, provided the amendment has no material adverse effect upon any right of any Owner. Thereafter or otherwise, this Declaration may be amended only by the affirmative vote or written consent, or any combination thereof, of Members representing sixty-seven percent (67%) of the total votes in the Villa Verona Homeowners Association, including sixty-seven percent (67%) of the votes held by the Class A Members and the Class B Member so long as such membership exists; provided, however, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause. Any amendment to be effective must be recorded in the public records of the County.

If an Owner consents to any amendment to this Declaration or the By-Laws, it will be conclusively presumed that such Owner has the authority so to consent and no contrary provision in any mortgage or contract between the Owner and a third party will affect the validity of such amendment. No amendment may remove, revoke, or modify any right or privilege of Declarant without the written consent of Declarant or the assignee of such right or privilege.

12.03 Severability. Invalidity of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions, which shall remain in full force and effect.

12.04 Perpetuities. If any of the covenants, conditions, restrictions or other provisions of this Declaration shall be unlawful, void or voidable for violation of the rule against perpetuities, then such provisions shall continue only until twenty-one (21) years after the death of the last survivor of the now living descendants of John F. Kennedy.

12.05 Independent Builders. Villa Verona is a planned neighborhood within the Vineyards and is being developed by the Declarant. The individual residential units constructed within Villa Verona may be constructed by the Declarant, Merchant Builders or by independent contractors. If the residential unit is constructed by a person or entity other than the Declarant, the

Declarant shall have no liability whatsoever for the builder's activities, whether direct or indirect, including, without limitation, marketing or construction of the unit or actions of any principal, officer, director, partner, agent or subcontractor.

12.06 Litigation. No judicial or administrative proceeding shall be commenced or prosecuted by the Villa Verona Homeowners Association unless approved by a vote of seventy-five percent (75%) of the votes eligible to be cast by the Members of the Villa Verona Homeowners Association. This Section shall not apply, however, to: (a) actions brought by the Villa Verona Homeowners Association to enforce the provisions of this Declaration (including, without limitation, the foreclosure of liens), (b) the imposition and collection of Assessments, (c) proceedings involving challenges to ad valorem taxation, or (d) counterclaims brought by the Villa Verona Homeowners Association in proceedings instituted against it. In the event any claim is made against Declarant or any litigation is instituted against Declarant, then the Villa Verona Homeowners Association shall assess all Members of the Villa Verona Homeowners Association, other than the Declarant, for the costs of claim or litigation, including without limitation attorneys' fees incurred, and funds from any Assessments shall not be used for any such claim or litigation. The prevailing party shall be entitled to recover as part of the award all such advanced costs and reasonable attorneys' fees and related costs, fees or expenses of such claim or litigation. In the event the Declarant is the prevailing party, the Villa Verona Homeowners Association shall levy a Special Assessment against all Owners of Units in Villa Verona, other than the Declarant, for the Declarant's cost for any such claim or litigation. This provision shall not be amended unless such amendment is made by the Declarant or is approved by the percentage of votes and pursuant to the same procedures necessary to institute proceedings as provided above.

**ARTICLE XIII
MORTGAGE RIGHTS**

13.01 General. The following provisions are for the benefit of holders, insurers or guarantors of first mortgages on Units. To the extent applicable, necessary or proper, the provisions of this Article apply to this Declaration, the Articles and the By-Laws.

13.02 Notices of Action. A holder, insurer or guarantor of a first mortgage, who provides written request to the Villa Verona Homeowners Association (such request to state the name and address of such holder, insurer or guarantor and identification of the Unit), shall be an "eligible holder" (hereinafter "Eligible Holder") and shall be entitled to timely written notice of:

(a) An Owner's default in performance of any obligation under the Villa Verona Documents, including any delinquency in the payment of Assessments or charges owed by an Owner of a Unit subject to a first mortgage held, insured or guaranteed by such Eligible Holder (or any Institutional Mortgagee) which continues for a period of sixty (60) days;

(b) Any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Villa Verona Homeowners Association; or

(c) Any proposed action which would require the approval of a specified percentage of Eligible Holders, as required in Sections 13.03 and 13.04.

13.03 Eligible Holders' Approval of Amendments to Documents. To the extent permitted by Florida law, the following approvals shall be required:

(a) The approval of sixty-seven percent (67%) of the Eligible Holders of mortgages on Units subject to Eligible Holder mortgages shall be required to terminate the legal status of the Villa Verona Homeowners Association; and

(b) The approval of at least fifty-one percent (51%) of the Eligible Holders of mortgages on Units subject to Eligible Holder mortgages shall be required to add to or amend any material provisions of the Villa Verona Documents which establish, provide for, govern or regulate any of the following (an addition or amendment shall not be deemed material if it is for the purpose of correcting technical errors or for clarification):

- (a) Voting;
- (b) Assessments, Assessment liens, subordination of such liens;
- (c) Insurance or fidelity bonds;
- (d) Any provisions which are for the express benefit of mortgagees;
- (e) Boundaries of any Unit; or
- (f) Leasing of Units.

13.04 Other Approval Requirements. Unless at least sixty-seven percent (67%) of the Institutional Mortgagees (based on one (1) vote for each first mortgage owned) have given their prior written approval, the Villa Verona Homeowners Association shall not be entitled to:

- (a) Change the method of determining the obligations, Assessments, dues or other charges which may be

levied against an Owner;

- (b) By act or omission, change, waive or abandon any scheme of regulations or enforcement thereof, pertaining to the architectural design or the exterior appearance of improvements on Units, provided, however, the issuance and amendment of the Villa Verona Standards by the Committee or the issuance and amendment of architectural standards, procedures, rules and regulations or use restrictions shall not constitute a change, waiver or abandonment within the meaning of this provision;

13.05 Approval Deemed Given. If approval of an Eligible Holder or Institutional Mortgagee is requested in writing pursuant to this Article and a negative response is not received by the Villa Verona Homeowners Association within thirty (30) days after such Eligible Holder's or Institutional Mortgagee's receipt thereof, then such Eligible Holder or Institutional Mortgagee shall be deemed to have given its approval.
